THE STATESBORO HI-OWL PUBLISHED EVERY SIX WEEKS

Message from Principal

James L. Sharpe

By JAMES L. SHARPE

When a person goes into a new community to assume so important a job as directing a fine high school like Statesboro High, and to make his home here, he is an unusual person if he does not experience some misgivings. One wonders whether the machinery will run smoothly, whether it will run at all.

Where hundreds of people are concerned it would be rather naive to expect the complex machinery of such an institution to operate perfectly. With six weeks behind me I can truthfully say that only a few rough places have marred the fine start that this fine school has made.

The student body is most cooperative. The faculty has spared no labor to fulfill every requirement of duty.

A great school like Statesboro High cannot neglect its magnificent goal to that of a reformatory—this school is for young people who need and sincerely desire an education.

I am gratified that students are falling in line for the first years work within their reach. I especially wish to commend the senior class, a fine group of young people. Very little sophisticated all seemingly serious minded and conscious of the big job ahead.

The younger classes have done well. They are falling in line as one would say and seem definitely happy.

Students of Statesboro High seem to realize that if we are to raise our scholastic standard that more hard study must be a major part of the program.

We have had delicious meals and the conduct in our lunch room is growing better each week.

Students and faculty appreciate the repairs that Mr. Womack and the county board have made in our high school building and in our gymnasium.

The shrubbery planted on the school campus thirty years ago had grown to be unweildy and for the size of the campus not beautiful. School authorities have thought that it should be removed.

The ladies of the Statesboro Garden Club were gracious enough to volunteer the landscaping of the campus. Thanks to these ladies we shall look with "big anticipation" to the beauty of the campus when the job is finished.

The high school P. T. A. has had the support and cooperation of the parents—a good sign that people are in earnest about a successful year for their children.

The people of Statesboro have been most gracious to me and my family, for this we thank you.

Most Sincerely,
James L. Sharpe

Mr. James L. Sharpe formerly with Savannah High and later superintendent of Screven County became principal of Statesboro High upon the resignation of Mr. S. H. Sherman last May.

At assembly Mr. Sharpe introduced the new members of the faculty, recognized the new students and gave a brief summary of the "set-up" for the following school period.

Enrollment surpassed all previous records in the history of the school. Total enrollment was as follows: 12th grade, 91; 11th grade, 88; 10th grade, 123; 9th grade, 130; and 8th grade, 155. The present senior class is the largest in the history of the school. The total enrollment of the five grades was 597.

Statesboro has the same complaint as many other schools, that is too few classrooms, too few teachers, and too many students. If such a thing could exist, arrangements are now being made to accommodate overflow, especially in social studies and sciences.

Amelia Robertson was selected from ten F. H. A. contestants as one of four to be song leaders at the Fall District Convention which will be held in Dudley.

Instructional supervisor, Miss Leona Newton, met with teacher reading group Tuesday afternoon.

MR. SHARPE outlines the day's assignments to secretary Mrs. Frances Groover.

Six-game review of Blue Devil 1959 season; 3 wins, 3 losses

By BOBBY BROWN and
LINDSEY JOHNSTON

SAVANNAH HIGH

Statesboro High School "Blue Devils" opened their 1959 football season with a 26-0 loss to the powerful Savannah High School "Blue Jackets." Leading the Statesboro attack was Wendell McLamery, who was strongly supported by senior quarterback Joe Hagan. For Savannah, David Harn was the leading ground-gainer.

JESUP

A much improved Statesboro football team lost its second straight game in Jesup on September 14th. The "Blue Devils" defense, led by Jimmy Searce, Lindsey Johnston, Joe Hagan, and Jimmy Brock, held the powerful 2-A Jesup team to 13 points.

COCHRAN

Statesboro's Blue Devils won their first game of the year by defeating the Cochran "Royals" 14-0 in Cochran on Friday, September 25. Joe Hagan scored both touchdowns and Jimmy Searce "booted" both extra points. Outstanding on the Statesboro defense were Jimmy Searce and Arnold Cleary.

DUBLIN

Statesboro played host to the favored Dublin "Irish" on Friday, October 2nd to lose their 3rd game of the season. The slippery field gave the "Irish" a 2-0 advantage over the hard-hitting "Blue Devils." The Statesboro offense was hindered with fumbles throughout the game, but halfbacks Wendell McLamery and Joe Hagan managed to look good for Statesboro.

METTER

In the season's third non-regional game, Statesboro edged Metter 19-18, Friday evening, October 9, in Metter. Leading the "Blue Devils" defense were test scores, personal qualities, leadership in school, church and community and professional intent.

For an early delivery, all material for the yearbook must be in the hands of the publishing company early enough in the year so that the books can be delivered before the close of the school term. Because of this early deadline, many of the school's most important functions are excluded from the annual. For example, play day, the Junior-Senior Banquet, graduation exercises, Freshman Sophomore Prom, all fail to be recorded in the book.

In the 1959-60 Criterion, all of these will be included. The material will be mailed to the publishing company immediately after graduation.

Near mid-summer when the books arrive, invitations will be sent to those who have bought books to attend an autograph party which will be held in the school gym. Besides receiving a unique yearbook, the party will afford an opportunity for a get-together and for catching up on the latest news.

Importance of Good Grades

By SARA ADAMS

Early next spring large number of seniors will anxiously be awaiting an acceptance from the college of their choice. For many this acceptance will not come, and eventually these students will realize why their teachers had always urged them to improve their grades.

The neglect or students to apply themselves in high school and actually do something about them, the better our chances will be for success.

SECOND MEETING OF BETA CLUB

Statesboro chapter of the National Beta Club met Tuesday night October 27, in the school library for their second meeting.

The minutes were read by secretary Barbara Bowen and approved by the thirty-five members present. It was also voted on by the members to meet every six weeks.

President Robert Paul turned the program over to Kay Minkovitz and a council of four who gave a brief discussion on the topic of "Personality." Her council was made up of Carrie Johnson, Linda Cason, Danny Bray and Gary Witte.

After this discussion the meeting was adjourned and the club journals were given out.

By A. JOE MCLAMERY

Statesboro High School students got their first glimpse at the new members of the faculty August 31, the first day of regular session.

Mr. James L. Sharpe, new superintendent, received his B.S. degree from Georgia Teachers College, and his Master of Arts from the University of Georgia. He has done other graduate work at Mercer University and Columbia University.

For the past two years Mr. Sharpe has held the position of superintendent of Screven County High School. Prior to coming to Screven County High School, he was assistant principal at Savannah High School.

Eight new name plates were over classroom doors. Other new additions to the faculty include Mrs. Jackie Foy, B.S., University of Georgia, and Mr. Condie D. McKenzie, B.S., Georgia Teachers College, in the science department; Mrs. Virginia Howard, B.S., Georgia Teachers College, in the English department; Mrs. Marjorie Nabers, A.B., University of Georgia, in language arts; Mr. Guy Dasher, B.S., Georgia Teachers College, in business; and Mrs. Jeanne Coleman, B.S., North Georgia College, in physical education. Mrs. Herbert Bice, B. Ed., University of Georgia, has been added to the staff as guidance director.

Mr. James L. Sharpe, principal of Statesboro High School, and members of the faculty were entertained at a colorful reception given by the Statesboro Chapter of the Future Homemakers of America at the home of Mrs. Reppard DeLoach, head of Home Economics Department.

Upon arrival, the guests were greeted at the door by Amelia Robertson, who introduced them to the president of the club, Julia Brannen. The guests were then directed to the dining room by Cheryl Welchel, where they were introduced to Mr. and Mrs. Sharpe and Dr. and Mrs. Herbert Bice. Mrs. Bice is the new counselor at the high school.

Linda Anderson, Pat Harvey, Paula Banks and Gloria Lane served as hostesses in the dining room. Presiding at the guest register was Darlene Youmans.
